1893Columbian Expo [Spoon]

It is that time of year. Cecil and I just hit the jackpot in Evansville with the purchase of 30 or so items. Remember the Expo Pitcher I wrote about, we purchased it plus many other items from the fair. Items included tickets, plates, bowls, coin purses, metal tip trays and many other items.

I am still trying to find out if one of our purchases was a spoon because there is one that really would add to our bank account. If you look at the top of this page you will see the one I mean. This spoon was purchased on eBay for over \$2200 and as I have check the items we bought nothing has been over \$120 including the pitcher.

It doesn't take many purchases like this one to put you well on your way into the 31 Steps. Our total investment was \$1700 which included the commission.

I am waiting for your stories to publish and I know there are many that the readers would like to hear.
